School

Sept. 22nd – Visit from
Clayton Fire Dept.

--First Day of Fall

Welcome to Hocutt Baptist Preschool!
A new school year has begun. The teachers have spent countless hours readying their classrooms. Parents have spent hours on an emotional roller coaster asking, "Is my child ready? Did I get all the things they need? Am I ready?" We can't answer all those questions for you. We can, however, help you on your journey. You and your child are about to start a new chapter in life – SCHOOL! It's scary, it's exciting, and sometimes it's difficult. Don't worry. No matter what happens in this year, we will be there for you. The highs and lows and everything in between. God put us here to walk with you along this path for a while. We have been praying for you and your little one. Please do not hesitate to contact us with any questions
God's Love & Blessings!

What We Are Learning?

Weeks 1-3: Learning Rules, Routines, And Settling into School,
