Reminder:

Make sure your child's extra
clothes are appropriate for
the season.

Once again, the Christmas season is upon us! Excitement is in the air! Wonder and joy fill the hearts and faces of our little ones! Throughout our Christmas trees are little replicas of a crown of thorns. This seems a usual symbol of the season, but it offers our families a unique opportunity every year. When we place the crown of thorns on top with ceremony and reverence, we have the privilege of sharing with our family that Jesus was born to die. Our prayer at HBP is that your family would take time this season to revel in the miraculous advent of our Savior and worship Emmanuel, "God with us," the baby in the manger who was born that we might have eternal life. From each of us to you, we wish your family a very Merry CHRISTmas!
