

Preschool Parents,

To ease the flow of traffic before and after preschool, and for the overall safety of every student and parent, please observe the following guidelines when using the Hocutt parking lots for drop-off and pick-up:

ANNEX lot:

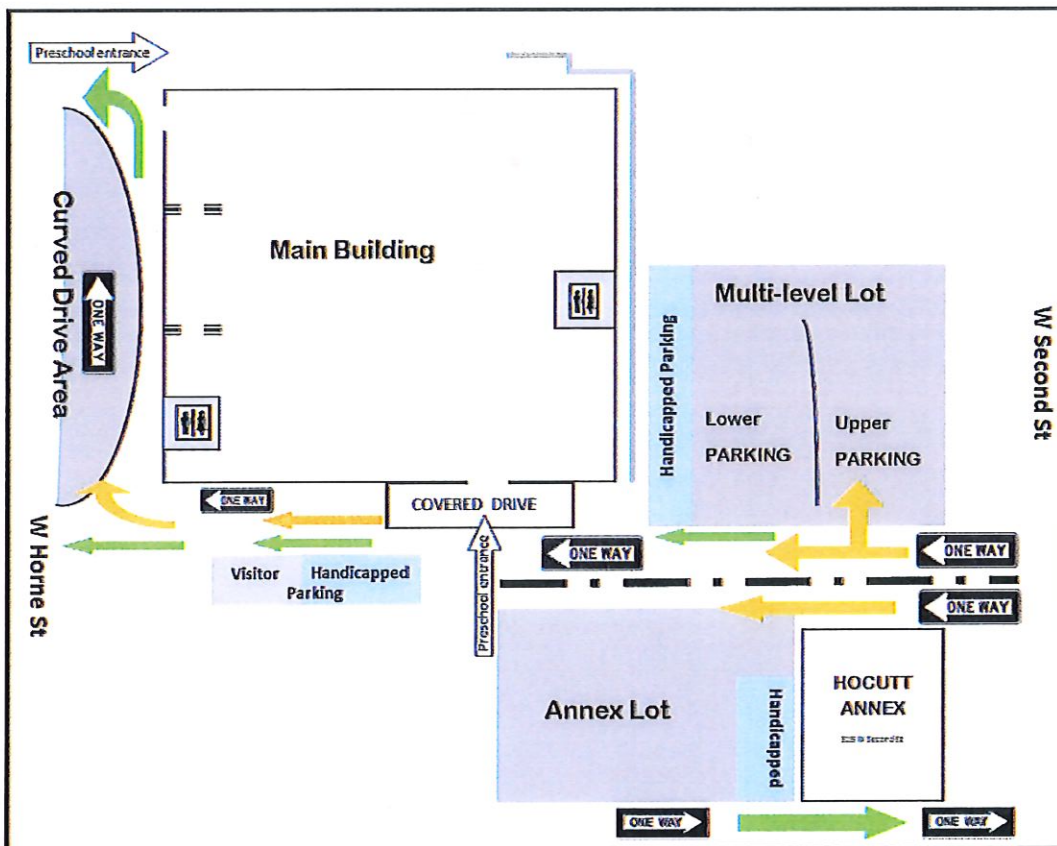

1. Enter into the parking lot ONLY through the drive closest to the MPF (**YELLOW** arrow).
2. Exit the parking lot ONLY through the opposite drive closest to the grassy area (**GREEN** arrow).

MULTI-LEVEL lot:

1. Enter into the parking lot ONLY from W Second St. (**YELLOW** arrow).
2. Exit the parking lot ONLY onto W Horne St, past the main building (**GREEN** arrow).

CURVED DRIVE area:

1. Enter into the parking lot ONLY from W Second St past the main building (**YELLOW** arrow).
2. Exit the parking lot ONLY onto W Horne St near the preschool entrance (**GREEN** arrow).

Adhering to the arrows painted on parking surfaces ensures the most effective use of the parking lot while keeping all of you, and your children, as safe as possible. As you enter and exit, be aware of parents and children around you and exercise caution. With so many eager children, navigating the parking lot requires patience and diligence. We know that you will put a priority on safety the same way we do.

Thanks in advance for your year-long cooperation. We hope you and your children enjoy a wonderful year at Hocutt Baptist Preschool!
